

Come on with us, children, June 1, at the Botanical Garden - a magic place prepared for the holiday!

On June 1, the Children's Day, the Botanical Garden in Chisinau turns into a magical place, full of smiles, plays and adventures! Internal! Let's discover the cars with Girofar together, to get on the motorcycles and bicycles that the Republic of Moldova police have and to put on their cool heads! No show is complete without the masked fighters from the "Lightning" Police Brigade, which shows you their "ninja" movements, and the super trained horses that make the stunts spectacular - and yes, you can climb them and feel their power! With their bravery and listening - see how the criminals "catch" and listen to every order carefully! If you want to feel a true hero, the General Inspectorate for Emergency Situations will wait for you to try the uniform of firefighters and rescuers, discover modern technique and climb into powerful vehicles. He is waiting for you with their equipment to be part of a super strong "gorge"! The battalion for special destination "Scorpio" is also present on duty - it comes to show us how to be strong and defend ourselves in style. And the 112 Service tells you how to be fast and brave in emergency situations. Include! We promise a day full of magic and beautiful memories!
