1. On 11.01.2020, the Minister of Internal Affairs sent a letter no. 44 / 30-86 addressed to the Prime Minister of the Republic of Moldova requesting:

1) Further maintenance of the location of the Integrated Training Center for Law Enforcement of the Ministry of Internal Affairs at: mun. Chisinau, str. Nicolae Dimo, 30, established by GD no. 35/2018 and holding discussions with development partners, in order to identify sufficient financial sources for the development of the infrastructure provided for by the project implemented.

2) Dislocation of the Integrated Training Center for Law Enforcement of the Ministry of Internal Affairs in the building of the Academy "Stefan cel Mare" of the Ministry of Internal Affairs, located on 7 Sf. On 16.03.2020, the answer was received to letter no. 44/30-86 addressed to the Prime Minister of the Republic of Moldova, in which the following are mentioned:

1. In order to rationally manage the budget support, as well as to avoid increasing the state budget expenditures, it is considered inappropriate to develop the

CIPAL infrastructure on the land at the address 30 Nicolae Dimo Street, Chisinau. Respectively, it is necessary to amend GD no. 35/2018 "On the construction of the Integrated Law Enforcement Training Center".

2. We support the idea of creating, fortifying, developing and concentrating in a location the infrastructure necessary for the activity of the Center in the complex of the "Ștefan cel Mare" Academy at the address str. Sf. Vineri, no. 7, Chisinau mun. (including tactical training ground). It is therefore proposed to revise the GD. No. 53 of 17.01.2018 "On the Integrated Training Center for Law Enforcement of the Ministry of Internal Affairs".

3. At the same time, at the subsequent rectification of the Law on State Budget for 2020, proposals will be submitted in order to complete Annex no. 6 with a new capital investment project "Reconstruction of the complex of the Integrated Training Center for Law Enforcement, str. Sf. Vineri, no. 7, mun. Chisinau".

Law no. 61/2020 on amending the Law on State Budget for 2020 no. 172/2019 (*Annex no. 6*) modifies the destination/location of the financial means destined for the operationalization of the Integrated Training Center for Law Enforcement of the Ministry of Internal Affairs (*hereinafter* CIPAL) from the address of Chisinau mun., 30 Nicolae Dimo Street, land with cadastral no. 01003131013, to the address Chisinau mun., Sf. Vineri str., no. 7, land with cadastral no. 0100218669, under the management of the "Ștefan cel Mare" Academy of the Ministry of Internal Affairs.

2. Letters of clarification were sent to the Agency for Geology and Mineral Resources and the City Hall of Chisinau to comment on the geotechnical condition of the land with cadastral no. 01003131013 on Nicolae Dimo str., no. 30 and the risks that may occur as a result of construction works on the surface of an unfavorable land (Being attached also the Technical Report Object no. 007- GI/2017 regarding the execution of geotechnical prospecting works).

1) The response was received from the Agency for Geology and Mineral Resources no. 80/05 of 30.01.2020, where it was mentioned that, following the analysis of the latest researches on the territory of Chisinau, which were carried out in 2019, by the State Enterprise "Hydrogeological Expedition in Moldova", the land with cadastral number 01003131013 on Nicolae Dimo str., no. 30, is located on the edge of an ancient landslide fracture and is affected by the development of two ravines and any earthworks on this sector that will involve extensive morphological changes may even lead to the activation of landslides of ancient land.

2) At the same time, the response was received from the General Directorate of Architecture, Urbanism and Land Relations, no. 21/268 p of 21.02.2020, which mentions that, according to the materials analyzed based on the engineering-geological and hydrogeological conditions, the chosen land has unfavorable conditions for construction, as well as the fact that it is necessary to exclude the execution of works involving earthworks and deforestation of the existing slopes and trees.

3. In order to exclude the performance of works that involve earthworks and the deforestation of existing slopes and trees, the MIA Order no. 235/2020 "On some

measures to implement the Agreement on the financing of the European Union CRIS:ENI/2015/038-144” Support for Police Reform”,m by which it was established:
